

**International Graduate Program in Language Sciences**  
**The Graduate School of International Cultural Studies**  
**Application for Master's Program (2-year course)**  
**For the Academic Year 2017**  
**(Beginning in October 2017)**

**I. Aim**

The aim of this program is to promote interdisciplinary education and research concerning human language from multiple perspectives of linguistics, psychology, brain science and information science. Based on recent development in linguistics and other relevant disciplines, the program seeks comprehensive understanding of issues associated with linguistic communication, language acquisition and loss, language and brain, and natural language processing. The program will be conducted in collaboration with the Research Center for Language, Brain and Cognition, which is affiliated with the Graduate School of International Cultural Studies (GSICS).

Degree offered     Master of International Cultural Studies

Seminar (8 units)	Seminar in Linguistics	Supervisor	8
30 units			

### III. Application

**1. Positions available: 5**

**2. Application Requirements**

Applicants for the 2-year Master's Program should meet one of the following criteria:

- (1) Those who have graduated, or will graduate from a university by September 2017.
- (2) Those who have been granted, or will be granted a Bachelor's degree under the condition established by Paragraph 4 of Article 104 of the School Education Law (Law 26 of 1947, henceforth the Law) of Japan by September 2017.
- (3) Those who have completed, or will complete 16 years of education in a foreign country by September 2017.
- (4) Those who have completed, or will complete 16 years of education by finishing a correspondent course of a foreign university in Japan by September 2017.
- (5) Those who have completed, or will complete 16 years of education by finishing a course of a foreign university in Japan by September 2017. The course of the university should be one that has been approved by the educational system of that country and the Minister of Education, Culture, Sports, Science and Technology of Japan.
- (6) Those who have been conferred, or will be conferred a degree equivalent to a bachelor's degree upon completion of a curriculum that has a course term of three years or longer at a university or other school (limited to schools whose overall educational and research activities have been evaluated by the relevant country's government or a government-approved individual, or are designated separately as having met this requirement by the Minister of Education, Culture, Sports, Science and Technology of Japan) in a foreign country (including cases in which the student completed the curriculum by taking subjects conducted by the said school via distance learning while the student resided in Japan, and cases in which the student has completed a curriculum at an educational facility that is positioned within that country's educational system as per the previous item) by September 2017.

\*Prospective students wishing to apply under this category must contact the Office of Academic Affairs of the GSICS by April 14, 2017.

- (7) Those who have graduated, or will graduate from a specialty course of a professional school after the date fixed by the Minister of Education, Culture, Sports, Science and Technology of Japan by September 2017. They should have completed, or will complete 4 years or more of education in that course by September 2017, and have satisfied the other standards fixed by the Minister of Education, Culture, Sports, Science and Technology of Japan. The course should be one that has been approved by the Minister of Education, Culture, Sports, Science and Technology of Japan.
- (8) Those who have been designated by the Minister of Education, Culture, Sports, Science and Technology of Japan (refer to the 5th Bulletin of 1953 from the Ministry of Education).
- (9) Those who have entered a graduate school of another university according to Paragraph 2 of Article 102 of the Law, and are judged by GSICS to have attained a sufficient standard of achievement to study in GSICS.
- (10) Those whose academic abilities are judged by GSICS to be equal to or greater than those of a university graduate, and who are 22 years of age or older at the end of September 2017. Applicants who shall fall under this category must undergo a pre-qualification examination, and are required to submit the designated documents for the purpose by March 15 in order to fulfill the requirement for fall admission.

#### Notes

- 1. Applicants that fall under the qualification (9) should undergo a pre-qualification examination according to the instructions stated in the qualification (10) above, by submitting the designated documents for the purpose.

- k) **A Letter of Approval for Entrance:** If you want to enroll in our school while maintaining employment with your organization, you are required to submit a Letter of Approval for Entrance

issued by your employer.

## **(2) Submitting Application Items**

The application documents must be received by the stated deadline at the Office of Academic Affairs of our school.

- a) The application documents must be received by April 28, 2017.
- b) The application documents can be sent by registered mail, with the direction “Enclosed Application Documents” written in red on the envelope, to the following address:

The Office of Academic Affairs,  
The Graduate School of International Cultural Studies, Tohoku University  
41 Kawauchi, Aoba-ku, Sendai 980-8576, Japan

## **4. Screening Method**

Applicants are screened on the basis of comprehensive evaluation of Application Documents (including Academic Transcript and Statement of Research Plan), English proficiency (TOEFL<sup>®</sup>, TOEIC<sup>®</sup> test score or IELTS<sup>™</sup> band score result).

## **5. Announcement of Acceptance and Enrollment**

- (a) The result of screening will be posted on our website on June 21, 2017.
- (b) Documents needed for enrollment will be sent to successful applicants. Enrolling procedures should be completed until the end of September 2017.
- (c) Successful applicants are requested to pay the following fees at the time of registration:
  - ① Admission Fee: ¥282,000
  - ② Tuition Fee: ¥ 267,900 (half of the annual tuition fee ¥535,800)

Note 1: When tuition fee is revised during the period of study, a revised amount of tuition fee applies from the date of revision.

Note 2: Information on exemption for admission fees or tuition fees is included in the documents of (b).
- (d) Date of Entrance: Admission to the Master’s Program takes place in October 2017.

## **6. Long-Term Course Program**

We have adopted a Long-Term Course Program for students who have difficulty completing the course in the normal 2 years, for reasons of such as job-holding, housework, nursing care and so on. Though the Master’s Program normally lasts 2 years, it can be extended to 4 years. Those who wish to acquire the Master’s Degree by extending the normal 2-year completion limit can be admitted as Long-Term Course Students. Note that the maximum period of residency for the Master’s Program is 4 years. Those who wish to do so must follow instructions in the notification of acceptance, which will be delivered by mail after the announcement of acceptance, and submit prescribed documents at the time when they go through all entrance procedures.

Coursework for students who are deemed eligible for Long-Term Course Program is provided in the same way as is done in the curricula and time schedule for regular students.

The annual tuition fee for long-term course students is calculated as follows: The total amount of tuition fees for the standard term (2-year) of study is divided by the extended term (4-year) of study. For details, please contact the Office of Academic Affairs of the GSICS.

## **7. Others**

- (1) Please note that incomplete applications will not be accepted. After receipt of the application documents, no correction is permitted, and the application fees are not refundable.
- (2) Disclosure of the examination results is available at the request of the applicant within the year of examination.
- (3) We shall give proper attention to physically handicapped applicants. Please contact the Office of Academic Affairs of our school at the earliest possible time.
