Academic Class Information

Korean Language
Throughout the course, beginners will be able to read and write the Korean language and understand basic daily dialogue. Intermediates (or advanced students) will be able to better understand intermediate words and phrases, and expand their knowledge to academic context.

Asia Business
It provides international students with a detailed overview of the economic, political, and social issues facing Korea and other Asian countries in the region. In particular, the course details a range of topics such as an examination of: The Asia Economy, North East Asian Trade and FTAs, Korean Pop Culture and Business, Korea R&D Facilities, Cross-cultural Communication Skills, Sustainable Development Practices in Asia, New Management Initiatives, and Firm Strategies in Global Market Places.
