Tuition

Tuition fee is 500 USD, including the course fees, accommodation, airport pick-up, free campus Wi-Fi, weekend travels and weekdays afternoon activities. Airplane ticket, food and other living costs are not included.

For the students who successfully finish the program, Completion Certificate of the Continuing Education will be granted.

How to Register

Students who wish to participate shall sign up and pay the tuition fee at the Office of International Affairs of their own universities. We do not receive any individual registration and payment.

Registration Deadline: April 7, 2019
Payment Deadline: April 30, 2019

For more details, please visit our FB page.

Afternoon Activities Information

During our program, we will arrange different kinds of cultural and fun activities , such as flower craft, calligraphy, Chinese knot, canoeing and movie watching. We will also have fun around the Taichung city at the end of the second week.

Travel to Nantou and Sun Moon Lake

On the 27th of August, we will spend the whole day together, at the most beautiful place of Taiwan, Sun Moon Lake, which is located in the mountains of Nantou, the geographic center of Taiwan. The name of the lake is inspired by the beauty of the area. The east side of the lake is round, like the sun, while the west side is long and narrow, like a crescent moon. This is the number one vacation spot for both tourists and locals every year.

Taichung Introduction

NCHU International Summer School is held in Taichung, the second largest city of Taiwan. Located in a large basin in central Taiwan. Taichung is proud of its educational and cultural heritages, that it is also named the "Cultural City". It has one of the best climates in Taiwan with an average temperature of 22.4 degrees centigrade.

About NCHU

National Chung Hsing University is one of the top universities in Taiwan, located in the urban area of Taichung. With its modern and friendly campus and renowned programs both locally and internationally, it is a great place for you to study! Moreover, this year, NCHU is celebrating its 100th anniversary.
