

Welcome to Tohoku University

As you embark on your new adventure with us, the university's official website will keep you up to date on all the latest news and events. Here you will also find important announcements, such as preventive measures to stop the spread of the coronavirus on campus.

In fact, you can find all our articles relating to the coronavirus pinned to our top page. There are instructions on what to do if you're feeling unwell, and reports on schedule changes to the semester.
