

Tohoku University uses the Safety Confirmation System to ascertain the safety of students and staff during emergencies. In the event of a natural disaster, all students/staff are asked to please respond to the safety confirmation e-mail message.

► **If you do not respond, the university will be unable to provide your family with any information if they contact us.**

It will also delay the identification of people who really are missing and in need of search/rescue.

► **Your responses will help Tohoku University classes/research resume more quickly.**

Point 1

A safety confirmation message will be sent to the e-mail addresses you registered in the Student Affairs Information System (students), or Integrated Electronic Authentication System (staff). We ask that **you register a mobile address that you use regularly** so that we can contact you promptly in the event of an emergency.

Point 2

It is also possible to confirm your safety using a dedicated app.

Download and install the free Emergency Call app from the Apple App or Google Play Store. When configuring the connection settings, enter your Tohoku University ID and password to receive notifications from the app.

(If you change your Integrated Electronic Authentication System password, please change the password in the app as well.)

E-mail Safety Confirmation Settings

Students

Safety confirmation messages will be sent to the addresses you set in "E-mail address 1" and "Forwarding address."

The screenshots show the 'Student Services' tab in the 'Tohoku University Student Information System'. A red box highlights the 'New Application' link. Another red box highlights the 'Change Student Information' link. A third red box highlights the 'E-mail address 1' field in the 'Student Information Change' form. A flowchart on the right indicates the path: Student Services tab → New Application menu → Change Student Information.

Staff

Safety confirmation messages will be sent to the address you set in "E-mail address(TU Mail)" and "Optional E-mail address" and "E-mail address(private)."

The screenshots show the 'For Staff' section of the Tohoku University website. A red box highlights the 'Login with your Tohoku University ID' link. Another red box highlights the 'TU Mail' field in the 'Profile Maintenance' form. A blue callout box says: 'The university will send safety confirmation messages to the address you enter here.' A flowchart on the right indicates the path: For Staff tab → Login with your Tohoku University ID → Integrated Electronic Authentication System → Edit Profile → SAVE.

If you receive a safety confirmation notification by e-mail, open the URL shown in the message. Simply select your responses on the online form to report your safety status.

Safety confirmation messages will always be sent from tohoku-univ@anpi.tohoku.ac.jp.

Please set up your e-mail filters to accept messages from this domain.

Responding with the dedicated mobile app (Emergency Call)

Response screen accessed from e-mail

The image shows a mobile app interface on the left with a 'Response' button. An arrow points to a screenshot of the response form on the right. The form has a '確認項目' (Confirmation Item) section with a dropdown menu set to '無事 Unharmed'. Below it is a 'その他、伝達事項 Remarks' section with a dropdown menu set to 'あり'. A red box highlights the '回答' (Reply) button at the bottom of the form. A callout box says: 'Please do not forget to click on the Reply (回答) button.'

See the website below for details on e-mail address registration and information about the system!
