

GP-RSS

International Joint Graduate Program in Resilience and Safety Studies

Prospective Students Information Session

The International Joint Graduate Program in Resilience and Safety Studies (GP-RSS) is a transdisciplinary graduate program with faculty from The Graduate School of Environmental Studies, School of Medicine, School of Engineering, Graduate School of International Cultural Studies, Graduate School for Agriculture, and IRIDeS. The language of instruction is English. We are seeking candidates for our sixth cohort starting April 1st, 2022. Please join our student information session below to hear about our exciting efforts in international education at Tohoku University:

Date: December 7th, 2021 (Tues) 14:40 – 16:00

Venue: Online via Google Classroom (class code: ukuthbg)

Pre-registration: Please inform us of your attendance at <https://forms.gle/S4dHE5t31CtVcNyg6>

Call of Admissions: <http://gp-rss.tohoku.ac.jp/en/recruitment.html>

Application Download: <http://gp-rss.tohoku.ac.jp/en/admissions.html>

Application Deadline: January 31st, 2022 (Mon) at 17:00

Financial Support:

Students accepted into the program are eligible for research assistantship positions and a travel bursary for attending summer/winter schools abroad, as well as to go on on their research residency with their international collaborators.
