Reason Why you should have a chest x-ray

Chest X-rays are required by Japanese law (School Hygiene and Safety Act) to prevent diseases such as tuberculosis.

Requests

If the schedule changes due to an emergency (natural disaster, epidemic etc.) an announcement will be made on the Student Health Care Center website. Please see the link below for the latest information. <https://www.health.ihe.tohoku.ac.jp/>

Results and Health Checkup Certificate Issuance

- Please read the "Those who have undergone AY 2025 Fall chest X-rays" distributed after the completion of the checkup to confirm about the follow-up examination. If you are eligible for follow-up examination or informed by us by phone that "follow-up examination is required," please follow the instructions to have a take a follow-up test.
- If you check/need the results of Fall chest X-rays, please use the Health Checkup Certificate. Health Checkup Certificate showing the X-ray results are issued by Automatic Certificate Issuance Machines. If your Student ID does not have a magnetic strip, you can pick up the certificate at the Student Health Care Center.
- If you do not undergo the checkup (including the Online Medical Questionnaire) we cannot issue a Health Checkup Certificate.
- Information on Health Checkup Certificates availability can be obtained at the X-ray venue or from the Student Health Care Center website.
- Other notifications about Health Checkup Certificates will be posted on the Student Health Care Center website.

Working Students

If you underwent a medical exam that included a chest X-ray at your place of employment (or are scheduled to do so) during this academic year, you may submit a photocopy of your results by post to the Student Health Care Center in place of undergoing the fall chest X-ray. (The X-ray must have been taken last October or more recently.) However, in that case the center will be unable to issue a Health Checkup Certificate.
