

Pre-qualification Examination for Admission

December 2022

**The Graduate School of International Cultural Studies
Tohoku University**

The Graduate School of International Cultural Studies (GSICS)
Pre-qualification Examination for Admission into Master's Program
(2-year course) and Doctoral Program (3-year course)

Our graduate school will conduct the pre-qualification examination for those who plan to apply with the following qualifications:

(1) Master's Program

Those whose academic abilities are judged by GSICS to be equal or superior to those of a university graduate, and who are 22 years of age or older at the end of September 2023.

(2) Doctoral Program

Those whose academic abilities are judged by GSICS to be equal or superior to those of holders of a master's or professional degree, and who are 24 years of age or older at the end of September 2023.

The Pre-qualification Examination for Admission result will be announced later.

Those whose academic abilities are to be equal or superior to those of "university graduates" or "holders of a master's or professional degree" will be applicants like the following:

- ① Those who have graduated from a junior college, a technical college, a specialized training college or a miscellaneous school, or completed some other educational institutions inside or outside Japan, and whose academic abilities can be granted by GSICS to be equal or superior to those of university graduates or holders of a master's or professional degree.
- ② Those who have studied at a junior college or a technical college and have a transfer qualification to university, or those who have business experiences or activities overseas, for example, as a member of an international organization, and who have been granted by GSICS to have the academic abilities that are equal or superior to those of university graduates, or holders of a master's or professional degree.
